The movement away from paper to digital processes has been on-going for some time now. One part of a comprehensive digitisation strategy is the use of scanners to create digital versions of paper documents. Below is my freedom of information request regards your use of scanners. Not multi-functional devices, but paper document Scanners, DM systems and EPR systems. If you have any questions please feel free to email me at this address.

- How many employees do you currently have?
- How many scanners (not multifunctional devices) do you currently have to scan paper based documents?
- Which brand do you use (i.e. Brother, Canon, Fujitsu, Kodak Alaris etc)?
- Which scanner model do you mainly use?
- Who supplies these scanners?
- Do you have a contract for these scanners?
- If so, when does this expire?
- What Document Management system(s) do you use?
- What Electronic Patient Record (EPR)/Electronic Healthcare Record (EHR) do you currently use?
- What is the name, job title, and email address of the person responsible for your scanner fleet?

- 1) Do you operate a maternity unit?
- 2) How many specialist bereavement midwives do you employ?
- 3) How many of your specialist bereavement midwives work full-time?
- 4) Does the bereavement midwife keep in contact with patients when they have left hospital? By 'contact' we mean face-to-face appointments or phone conversations.
- 5) Is there a 'maximum' time period that the bereavement midwife will keep contact with patients after they have left hospital?
- 6) How many children died while being cared for at your maternity unit – between January 1st 2017 and December 31st 2017?
