

## Prostate follow-up at Beechwood cancer care centre

Your after care following prostate cancer treatment will be delivered at Beechwood cancer care centre.

The clinic is staffed by specialist Christie nurses who have expertise in managing prostate cancer patients.

At the appointment you will have more opportunity to discuss any concerns regarding your prostate cancer, blood test results and treatment side effects. As far as possible, you will be able to see the same specialist nurse at each clinic visit to help with good continuity of care.

If at any point it is felt that you need to see a consultant urologist or specialist cancer doctor then you will have rapid access back to The Christie.

It is useful to have an up-to-date PSA blood test performed **before** you get to the clinic so we have the results to hand on the day and we can then discuss them with you.

**You need to make arrangements with your own GP practice for this blood test to be carried out 1 to 2 weeks before your appointment date. Please bring a copy of the PSA result with you.**

Your next Christie appointment will be at Beechwood cancer care centre in Stockport. On arrival at the clinic, please book in at the main reception and you will be shown to the waiting area. The clinic staff will call you through. Your appointment should last no longer than 20 minutes.

If you need information in a different format, such as easy read, large print, BSL, braille, email, SMS text or other communication support, please tell your ward or clinic nurse.

The Christie is committed to producing high quality, evidence based information for patients. Our patient information adheres to the principles and quality statements of the Information Standard. If you would like to have details about the sources used please contact [patient.information@christie.nhs.uk](mailto:patient.information@christie.nhs.uk)

For information and advice visit the cancer information centres at Withington, Oldham or Salford. Opening times can vary, please check before making a special journey.

Contact The Christie Hotline for urgent support and specialist advice  
**The Christie Hotline: 0161 446 3658**  
Open 24 hours a day, 7 days a week
